Information about member contributions

Please read the following notes before making a member contribution, and refer to the Member Guide (our Product Disclosure Statement) for further information. If you have any questions please call our Helpdesk (toll free 1300 360 907).

General information

Contribution payments

You can make member contributions at any time. Payment can only be made by cheque payable to "Christian Super".

Investment & Fees

Your contributions will be added to the existing Fund account within the same investment option you (or your Spouse) have chosen. The Fund does not charge any entry fees - your personal contributions are fully allocated to your account.

Preservation

All superannuation contributions are subject to preservation. You generally cannot withdraw your contributions until you retire after reaching the qualifying age.

Tax File Number (TFN)

You are not obligated to provide your TFN to Christian Super. However, if you do not provide your TFN, you will be taxed at the highest marginal rate of 45% plus the Medicare levy, compared to the concessional rate of 15%. It may also be more difficult to locate or amalgamate your superannuation benefits in future to pay you any benefits to which you are entitled.

More about spouse contributions

Membership

An Eligible Spouse is the legal or de facto husband or wife of the contributing member living together on a genuine domestic basis. You and your Spouse must both be Australian residents. Contributions are only permitted if your Spouse is aged under 65, or aged between 65 and 69 and has worked at least 40 hours during a period of 30 consecutive days during the current financial year. If your Spouse is not yet a member they must also complete a Membership Form (available from our website or Helpdesk).

Contributions

A Spouse account can only be opened with an after-tax contribution from you (the member). The initial investment into your Spouse's account must be at least \$1,000 - part of this can include a rollover from your Spouse added to your contribution. You can make ongoing (after-tax) contributions for your Spouse at any time. The contributions you make must not be deductible to you as an employer of your Spouse.

Taxation

Contributions you make for your spouse are not subject to contribution tax. A tax rebate of up to \$540 may be available for contributions up to \$3,000 you make on behalf of your non-working or low income (under \$13,800pa) Spouse.

Investment & Insurance Choices

Your Spouse can nominate their own investment portfolio and insurance cover for their account. Any Insurance cover request requires completion of a Personal Health Statement and acceptance by Christian Super's insurers. Please refer to our Member Guide for more details.

More about Self-employed contributions

Membership & Status

You must be a current member of the Fund. You must be self-employed or substantially self-employed (ie. no more than 10% of your assessable income is gained through an employer).

Taxation

You may claim a tax deduction for the first \$5,000 of contributions plus 75% of any additional contributions you make to a superannuation fund, up to your Maximum Deductible Contribution (MDC) limit in each financial year - see table.

Notice

To claim a tax deduction you need to complete the Notice on this form and your contribution must reach the Fund by 30 June 2008. You can issue a separate Notice with each contribution. We will send you a confirmation of receipt so you can claim a tax deduction - you cannot claim a deduction without it.
